

Capability Statement

Core Competencies:

Greenmaker Industries of CT, founded in 2011, is a product development company and manufacturer of environmentally sound products, including green building products, paints, exterior coatings (EIFS), commercial cleaning products and flooring. We are committed to redefining the concept of value in the construction and remodeling industries by providing smart, energy efficient, and healthy alternatives to conventional building materials, while creating a successful and growing business to benefit our community.

Differentiators:

- Certified WBE for State of CT
- Coatings contain no carcinogens or silica aggregate.
- Recycle all water back into products, resulting in little to no water waste.
- Most products are Low or Zero VOC.
- Manufactured with Marble Aggregate.
- Raw Material sourced within 500 mile radius of production facility.
- Only EIFS manufacturer to be UL listed.
