

SAFETY DATA SHEET

1-PRODUCT AND COMPANY IDENTIFICATION

Product Name: VENETIAN PLASTER Product Code: VENETIAN

Manufactured by :
Greenmaker Industries
697 Oakwood Avenue
W. Hartford, CT 06110

Greenmaker Industries
5841 Jacaranda Dr SE
Mableton, GA 30126

FOR EMERGENCY CONTACT

Chemtrec within USA and Canada- 1-800-424-9300
Chemtrec outside USA and Canada- 1-703-527-3887

Product Information- 1-860-761-2830

3-HAZARDS IDENTIFICATION

GHS Ratings:

There are no GHS ratings that apply to this product at this time

GHS Hazards

There are no GHS hazards that apply to this product at this time

GHS Precautions

There are no GHS precautions that apply to this product at this time

2-COMPOSITION/ INFORMATION ON INGREDIENTS

No reportable quantities of hazardous materials present

4-FIRST AID MEASURES

Inhalation-Remove to fresh air.

Contact with eyes : wash plentifully with water with open eyelid.

Skin contact-Wash promptly with soap and water. If irritation occurs,contact physician.

Ingestion- ask immediately a doctor.

5-FIRE FIGHTING MEASURES

Flash Point: N/A

LEL: N/A

UEL: N/A

Flammable limits- The product is not inflammable. In case of fire can generate carbonic oxide and organic substances with low molecular weight, due to resins present in the product.

Possible exposure risks- CO formation and organic substances in decomposition.

Extinguishing Media-In Case of fire, water-cool the containers and extinguish the fire with normal extinguishing media, none excepted.

Unusual fire/Expl.Hazards-Material may spatter above 212 deg F.

Haz.combust.product-N/A

Fire Equipment- The staff assigned to extinction the fire must have protective clothes and breathing apparatus in

closed areas.

6-SPILLAGE

Spills- Gather the material with sand, earth or other absorbing material. Prevent that the product flows into the superficial waters or in the subsoil.

Waste disposal methods-Place in closed containers.

Carefully incinerate or use sanitary land fill in accordance with local and federal regulations.

7-HANDLING AND STORAGE

Handling Precautions- Avoid contact with the eyes and skin by wearing suitable protection-----goggles, gloves .
Avoid skin and eye contact.

Keep out of reach of children.

There aren't particular storage conditions. It is recommend to store the product indoor, away from heat sources, with good airing conditions. Prevent from low temperatures.

Protect from freezing.

8-HEADING EXPOSURE CONTROL AND PERSONAL PROTECTION

No reportable quantities of hazardous materials present

Engineering Control-No data

Ventilation-Recommended

Exposure limits- TLV-TWA (ACGIH 1993)

TLV-STEL (ACGIH 1993)

Admin.Controls-No data

Respiratory protection- In case of aerosol formation use the mask.

Eye protection- Use goggles or visor.

Skin protection- Avoid contact with skin using overalls.

Hands protection- Use gloves.

Contaminated Gear-No data

9-PHYSICAL AND CHEMICAL PROPERTIES

Color- White

pH value- 9 +/- 0.5

Boiling point- about 100 C

Melting point- not determined

Flash point- non-flammable

Explosive properties- non-explosive

Vapour pressure- not determined

Solubility- soluble in water. Not so much soluble in the most common organic solvents.

Coefficient- not determined.

Appearance Viscous fluid

Physical State Paste

% Volume Volatile 0.17

Lbs VOC/Gallon Less Water 0.00

Odor characteristic

Vapor Density about 1.70 kg/l +/- 0.10

Specific Gravity (SG) 1.390

10-STABILITY AND REACTIVITY

Preamble- Stable

STABLE

The product does not present risks of dangerous reactions, if properly used.

Materials to avoid- avoid contact with strong acids (sulphuric acid) and strong oxidizer, because could happen violent exothermic reactions.

Hazardous Decomposition-No data

Hazardous polymerization will not occur.

11-TOXICOLOGICAL INFORMATION

Ingredients	cas #	%Vol	ACGIH
ground limestone	1317-65-3	25-30	

Mixture Toxicity

Toxicity-No data

Routes of Entry-Inhalation, Eye contact, Skin contact.

Skin : Irritating

Eyes : Irritating

Ingestion : Noxious

Inhalation : It could be noxious in case of aerosol formation

Environment : Not disperse the product in the environment

Effects of Overexposure

Carcinogenicity- No data found.

Acute Toxicity- No data found

Chronic Effects- No data found.

12-ECOLOGICAL INFORMATION

Environmental Impact statement (Ecotoxicity,state,degradation,soil/mobility)-

The product does not contain substances actually labeled dangerous for the environment. Avoid in any case to contaminate water and soil dispersing the product in the environment.

13-DISPOSAL CONSIDERATIONS

Disposal- The residues of product unusable and the containers contaminated must be disposed of according to local,state and federal regulations.

14-TRANSPORT INFORMATION

<u>Agency</u>	<u>Proper Shipping Name</u>	<u>UN Number</u>	<u>Packing Group</u>	<u>Hazard Class</u>
